

Quarterly Volunteer Talk
Tuesday, April 11, 2017
With Dr. Jerome Gabis

March 20, 2017

Dear Friend of Little Brothers-Friends of the Elderly,

Please join us on **Tuesday, April 11, 2017**, at Little Brothers-Friends of the Elderly for a gathering. As a volunteer, you are the core of our organization, and we couldn't exist without you. Several times a year we schedule Volunteer Talks where we invite professionals in our community to share current information about the population we serve. We think you will find the information useful in your volunteer role as well as in your relationships with family and friends.

Our guest speaker will be Dr. Jerome Gabis, PsyD, Clinical Psychologist. In his work with Legacy Psychological Services, Dr. Gabis focuses on helping older adults, their families, and their caregivers address the problems, issues, and decisions affecting them. Dr. Gabis is a long-time friend of LBFE and a popular returning guest speaker. His topic for the evening will be the issue of depression in the elderly.
